

Fire Courses

LEVEL 3 AWARD IN FIRE RISK ASSESSMENT (RQF)

This is a qualification that indicates an individual can undertake a specific role in the workplace that may be relied upon by employers and consists of a total of twenty hours in duration of which twelve are guided learning hours. The remaining eight hours are set aside to enable delegates to complete a fire risk assessment in their workplace which shall be supported by a report detailing the recommended controls required. The assessment should consider the potential fire hazards within the property and forms the delegates portfolio of evidence.

Qualification structure

This qualification comprises a single unit. The learning outcomes and assessment criteria are:

- Understand how a fire risk assessment can contribute to a safer work environment.
- Understand the principles of a fire risk assessment.
- Complete a fire risk assessment of a work environment.
- Complete a fire risk assessment report.

Assessment methods

Delegates are assessed for this qualification using the following methods:

- Multiple-choice question paper. Delegates must achieve a minimum of 67% to pass.
- Portfolio of evidence.
