First Aid

LEVEL 2 AWARD IN BASIC LIFE SUPPORT AND SAFE USE OF AN AUTOMATED EXTERNAL DEFIBRILLATOR (RQF)

This qualification is aimed at individuals wishing to take further training or to develop their knowledge and skills in basic life support. It is ideal for first-aiders in the workplace and is also suitable for schoolchildren, as recommended by The Resuscitation Council (UK).

To complete this qualification delegates are expected to undertake five (5) hours of learning, with a minimum contact time of 4 hours.

Subjects covered during this qualification include:

- How to manage an unresponsive casualty who is breathing normally.
- How to manage an unresponsive casualty who is not breathing normally.
- The safe use of an automated external defibrillator.

Assessment method:

This qualification is assessed by a practical demonstration and written/oral questioning.
