LEVEL 1 AWARD IN FIRE AWARENESS AT WORK (RQF)

This qualification is typically delivered over a half day.

It is intended for all employees and can be used as an induction to fire safety in the workplace or as a refresher course.

This qualification has been developed to provide an introduction to the basics of fire awareness in the workplace. The content has been written to meet accepted guidelines and in line with the Regulatory Fire Safety Order 2005 and the content and delivery can be tailored to the needs of the employer. For example, it may include undertaking a fire evacuation of personnel from the workplace. (Additional time may be required.)

The topics covered in this course are:

- The fire triangle.
- Understand the spread of smoke (combustion products) and fire.
- An explanation of how to use fire extinguishers and the classes of fire on which each type is used.
- Actions to be taken in the event of a fire.
- Safe evacuation of premises in the event of fire.
