Fire Courses

LEVEL 2 AWARD IN FIRE SAFETY FOR FIRE MARSHALS (RQF)

This qualification is delivered over 1 day. It is intended for those undertaking the role of and with the responsibility of a fire marshal in a workplace. This qualification has been developed to provide an introduction to the key principles of good fire safety from the aspect of the fire marshal. The content has been written to meet accepted guidelines and in line with the Regulatory Fire Safety Order 2005 and the content and delivery can be tailored to the needs of the employer. For example, it may include undertaking a fire evacuation of personnel from the workplace. (Additional time may be required.)

The topics covered in this course are:

- Fire Awareness, what to look for to prevent fires in the workplace.
- Fire controls with a view to prevention.
- Understand how fire extinguishers operate and how to use them.
- Action in the event of a fire.
- Personal emergency evacuation plans.
- The role of the fire marshal within the workplace.
- Communicating with the emergency services.
