Control of Substances Hazardous to Health

LEVEL 2 AWARD IN PRINCIPLES OF C.O.S.H.H. (RQF)

This qualification is delivered over half of one day. The targeted audience is anyone who works with any substances which come under the Control of Substances Hazardous to Health (COSHH) Regulations and is suitable to both new and experienced staff members.

The course has been devised to provide an overview of COSHH.

Topics covered during this course are:

- The legal requirements regarding COSHH.
- The penalties for non-compliance with the COSHH regulations.
- Hazards related to substances.
- Routes of entry into the body.
- Control measures to be implemented when using hazardous substances.
- Dealing with incidents when using hazardous substances.

The content of this training course can be tailored to the needs of your business, however more delivery time may be needed.

The qualification is assessed by a multiple choice examination.
